

Savings you can see

Get more and spend less when you maximize your DeltaVision® benefits

Your DeltaVision plan is administered through VSP® Vision Care, a leader in vision for more than 60 years.

Here's how to make the most of your benefits:

1. Create an account on vsp.com.

View your in-network coverage, find a VSP network doctor and save with Exclusive Member Extras.

2. See an in-network doctor.

You can save over \$500 annually when you visit a VSP network doctor.¹ If you go out-of-network, you'll have to submit a claim and may pay higher out-of-pocket costs.

3. Get a thorough WellVision Exam®.

This eye exam is included with your coverage and is designed to

detect signs of vision and health conditions.

4. Find your perfect eyewear.

Save when you choose a Featured Frame Brand² and get up to 30% off on lens enhancements.³ You can also shop online at **eyeconic.com**® to find a wide selection of eyewear at discounted prices.

5. Boost your savings.

Maximize your coverage with exclusive offers and savings, including private practice doctors and Visionworks® retail locations nationwide.

¹ Comparison is based on state and national averages for thorough eye exams and most purchased brands. NOTE: Actual savings will depend on the plan available to you, your copays, contribution level and whether your contribution is deducted from your paycheck pre-tax.

² Frame brands subject to change.

³ Savings are based on network doctor's retail price and may vary by plan and purchase selection. Average savings are determined after benefits are applied. Available only through VSP network doctors to DeltaVision members with applicable plan benefits offered in partnership with VSP. Ask your VSP network doctor for details.
