

Delta Dental PPO™
Children's Dental PPO
for Small Businesses

A smart choice for dental coverage.

What is Delta Dental PPO?

Delta Dental PPO is a coinsurance plan that shares costs for covered dental services with enrollees. After an enrollee meets the annual deductible, Delta Dental pays a percentage of the bill and the enrollee pays the rest.¹ Simple!

With this plan, enrollees can visit any dentist, but they'll save the most with a Delta Dental PPO dentist. Why? Because our in-network dentists accept reduced fees for plan enrollees.

Check out the highlights on page 3 to find out what services are covered and what the enrollee share would be. Want more? View the full plan design, plus limitations and exclusions, [here](#).

Is Delta Dental PPO the right plan for my business?

Delta Dental PPO could be a smart choice if your enrollees like to have plenty of options. Because Delta Dental has one of the largest networks in the country, enrollees have lots of dentists to choose from who can save them money.²

Delta Dental PPO plans are built around oral health. That's why we focus on coverage for important preventive services like dental exams and routine cleanings.

Enrollees can find a Delta Dental PPO dentist close to home or work at deltadentalins.com.

Offer your enrollees the care they need with the dentist they choose, and let Delta Dental handle the rest.
