The Dental College of GA Continuing Education Department complies with the American Disabilities Act

OBJECTIVES

Following the completion of this program, the participants will be able to:

- Recognize the implications of cardiovascular disease in the dental setting
- Recognize and manage cardiac-related emergencies in the dental setting
- Recognize many of the commonly seen occlusal warning signs that may affect the longevity of dental restorations
- Develop a plan to allow patients to “phase” full mouth reconstruction

CREDIT

The Dental College of Georgia at Augusta University is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp 5/1/22 - 6/30/26. The Dental College of Georgia at Augusta University designates this activity for **7.0** continuing education credits.
