## SYNOPSIS:

This eight-hour continuing education course aims to provide a comprehensive outlook on clinical pain management for dentists and a comprehensive review of the Controlled Substance Abuse Prevention Act (AB-474). The course will discuss person-focused pain management methods for successful clinical outcomes—a discussion on ethical, legal, and public health aspects of opioid use and misuse. Review the history of opioid use, culture, the myth, and the truth about opioids and provide updates on Opioid prescriptions and the Nevada Prescription Monitoring Program (PMP).

## LEARNING OBJECTIVES:

- Review of initiation of pain and pain pathways
- Review a Person-Centered evaluation of each person for effective pain management
- Review drug classification for pain management and the risks concerning age and general health conditions.
- From opioids to NSIDs, make an informed clinical decision
- Review CDC guidelines for prescribing opioids
- Review Nevada State opioid responses
- Review DEA's Drug Take Back program
- Guidelines for drug storage and disposal

### Maryam Tabrizi, DMD, MPH

Dr. Tabrizi received a DMD from Temple University, School of Dentistry, and a master's degree in Public health from Temple University College of Public Health. She is a certified in Special Care Dentistry, and a Certified Functional Medicine practitioner. Dr. Tabrizi is an Associate Professor at University of Nevada Las Vegas-School of Dental Medicine. She is a recognized geriatric dentist nationally and internationally as a clinician, a researcher with multiple grants, an author, and an educator. She is an advocate for oral health of fragile elderly and individuals with special needs.

### Tiffany Lee, DDS

Dr. Lee joined UNLV Dental Medicine June 1, 2022, as a full-time faculty member in the Clinical Sciences department. She earned her DDS and completed her postgraduate prosthodontics certificate program at the University of Southern California Herman Ostrow School of Dentistry, and teaches in our predoctoral degree program.

Prior to UNLV, Dr. Lee provided prosthodontic care for the Alaska Native populations and rural communities in Anchorage, and developed digital scanning protocols for rural areas as part of a HRSA (Health Resources & Services Administration) grant. She is a member of the American College of Prosthodontics Academy of Osseointegration, and the American Dental Association.

### Steven Saxe, DMD

Dr. Saxe joined UNLV School of Dental Medicine in 2016 as a part-time instructor and has treated patients in Las Vegas for nearly 30 years. Board certified by the American Board of Oral and Maxillofacial Surgeons, Dr. Saxe earned his bachelor's at the University of Nevada, Las Vegas and his Doctor of Dental Medicine degree at Washington University School of Dental Medicine in Saint Louis, Missouri. He continued his education at Sinai Hospital of Detroit, completing a four year residency in Oral & Maxillofacial Surgery. An advocate for organized dentistry, Dr. Saxe has memberships with many local, state, and national professional organizations including the Southern Nevada Dental Society, Nevada Dental Association, and International College of Dentists; is a fellow with three organizations including the American Association of Oral and Maxillofacial Surgery; a diplomate with two boards including the National Dental Board of Anesthesiology; and serves as president of the Nevada state society of Oral and Maxillofacial Surgeons. During his career, he helped found the University of Nevada School of Medicine General Practice Dental Residency, as well as the Southern Nevada Craniofacial and Cleft Palate clinic.

**\*\*Full Day lecture satisfies the DEA MATE Act renewal requirements for 8 CEU's. Half day 4 hour credit is also available at a reduced registration fee of \$135.**

1700 W. Charleston Blvd.  
Las Vegas, NV 89102

UNLV School of Dental Medicine is an ADA CERP approved provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP). The University of Las Vegas School of Dental Medicine designates this activity for 4/8 CEU credits.

**REFUND/CANCELLATION POLICY** – You may register up to the date of the course if there is space available. We reserve the right to cancel courses 30 days or more in advance of the scheduled course date. We recommend that you delay reserving air flights and hotel rooms until this deadline passes, as expenditures for this purpose are not reimbursed by UNLV. Any course cancelled by the school will result in a return of course registration fees or fees may be credited to future courses. If you cancel at least 30 days prior to the course date, your total course fees will be returned. If you cancel within 30 days, but more than two weeks prior to the course date, a \$25 administrative fee will be assessed. Any fees paid by check will be reimbursed by check and may require four to six weeks. Credit card payments will be credited to the card used for course registration. If you cancel within two weeks of the course date you will not receive a refund, but your payment can be applied to a future course. Course credit must be used within one year from original program date.

Approved PACE Program Provider FAGD/MAGD credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. Nationally Approved From 6/1/2021 -5/31/2024. Provider ID # 213111
