

# Delta Dental Community Care Foundation

## 2021 California Giving

**In 2021, the Delta Dental Community Care Foundation granted \$11,172,635 within the state of California.**

The Foundation partnered with local community organizations to increase access to care, support dental education, fund research that advances the oral health field and respond to disasters or other community needs as they arose.

### California Partner Spotlight

In 2021, the Sacramento Native American Health Center (SNAHC) received generous funding from the Delta Dental Community Care Foundation to address health disparities, make healthcare more equitable and support the opening of SNAHC's expansion in South Sacramento. The new site, set to open in late 2022, will include medical, dental, behavioral health and support services which will serve the vital needs of the South Sacramento community.

Since 2011, the Foundation, the philanthropic arm of Delta Dental of California, has awarded more than \$80 million across 15 states and the District of Columbia in the form of:

**Access to care grants** are awarded to organizations working to increase access to quality dental care for underserved children, seniors and adults.

**Education and research grants** provide funding for oral health research and scholarships for students pursuing the dental profession.

**Community Giving grants** support local nonprofits, including organizations promoting social justice, chronic disease and disaster relief.
