

Delta Dental Community Care Foundation

2021 Pennsylvania Giving

In 2021, the Delta Dental Community Care Foundation granted \$1,175,700 within the state of Pennsylvania.

The Foundation partnered with local community organizations to increase access to care, support dental education, fund research that advances the oral health field and respond to disasters or other community needs as they arose.

Pennsylvania Partner Spotlight

Union Community Care is a nationally recognized patient-centered medical home that offers an inclusive approach to providing health care. Its diverse services reflect the cultures, values and needs of the individuals and communities it serves. Union Community Care provides primary family medical care, dental care, behavioral health and social support throughout ten Lancaster and Lebanon locations. Based on household income and size, Union offers a sliding fee discount program at a lower rate or nominal fee for medical and preventive dental services provided at their centers.

Since 2011, the Foundation, the philanthropic arm of Delta Dental of California, has awarded more than \$80 million across 15 states and the District of Columbia in the form of:

Access to care grants are awarded to organizations working to increase access to quality dental care for underserved children, seniors and adults.

Education and research grants provide funding for oral health research and scholarships for students pursuing the dental profession.

Community Giving grants support local nonprofits, including organizations promoting social justice, chronic disease and disaster relief.
