

# Delta Dental Community Care Foundation

**In 2023, Delta Dental and the Community Care Foundation granted \$779,000 within the state of Georgia.**

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$150 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

## **Access to Care Grants**

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

## **Senior Oral Health Program**

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

## **Education & Research Grants**

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

## **Community Investments**

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

## **Georgia Partner Spotlight**

### **Curtis V. Cooper Primary Health Care, Inc. (CVCPHC)**

delivers vital healthcare to Savannah and Chatham County's low-income, uninsured, and under-insured since 1974. Recognized for excellence, CVCPHC provides innovative medical, dental, and behavioral health services to 25,336 Georgians, emphasizing community needs. PCMH Level III designation showcases commitment to quality care. Operating ten delivery sites, including mobile services for schools and public housing, CVCPHC collaborates with the Savannah Chatham County School System. Recognized as Georgia's Community Health Center of the Year, CVCPHC strategically enhances primary care access for high-risk populations. Delta Dental funding supports CVCPHC's innovative care for older adults, fostering advancements like 3-D printed dentures and digital x-rays for improved patient care.
