

# Delta Dental Community Care Foundation

**In 2023, Delta Dental and the Community Care Foundation granted \$180,000 within the state of Montana.**

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$150 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

## **Access to Care Grants**

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

## **Senior Oral Health Program**

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

## **Education & Research Grants**

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

## **Community Investments**

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

## **Montana Partner Spotlight**

**Bullhook Community Health Center** in Havre, Montana, prioritizes oral health services, especially for underserved populations. Recognized as a federally qualified health center (FQHC), Bullhook offers accessible and affordable dental care to residents. Their services encompass preventive, diagnostic, and treatment options, catering to uninsured or underinsured individuals who may face barriers to dental care access. The center is dedicated to addressing the community's oral health needs, supported by funds from Delta Dental to ensure quality care for those unable to afford it.
