

Delta Dental Community Care Foundation

In 2023, Delta Dental and the Community Care Foundation granted \$365,000 within the state of West Virginia.

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$150 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

Access to Care Grants

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

Senior Oral Health Program

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

Education & Research Grants

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

Community Investments

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

West Virginia Partner Spotlight

Preston-Taylor Community Health Centers (PTCHC), serving rural West Virginia, is bolstering healthcare with six medical and two dental sites, plus pharmacies and integrated behavioral health programs. Their Mountaintop Dental Center recently upgraded to a larger facility, and they are planning a new Dental Center in Grafton. Seeking funding for dental equipment and furnishings for three operatories, PTCHC aims to meet rising demand for dental services in Taylor County. This initiative reflects their commitment to expanding access to comprehensive healthcare in the region, particularly addressing the dental needs of underserved communities.
