

COMMUNITY CARE FOUNDATION

In 2024, Delta Dental and the Community Care Foundation granted **\$949,750** within the state of **Georgia**.

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$176 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

Access to Care Grants

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

Senior Oral Health Program

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

Education & Research Grants

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

Community Investments

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

Georgia Partner Spotlight

“Oftentimes, philanthropic support for healthcare is designated for medical or mental health programming long before it is provided for dental services. But when you work with underserved communities, you know that comprehensive oral healthcare is a critical step toward pain relief, better health outcomes overall, and even the opportunity for stable work and housing. Partnering with the Delta Dental Community Care Foundation in 2024 was an answered prayer. This organization really gets it and is willing to do whatever is needed to walk alongside those serving on the frontlines to make a measurable difference for communities in need across Georgia.”

**-Heather Kersey, Chief Development Officer
Good Samaritan Health Center Inc.**
