

COMMUNITY CARE FOUNDATION

In 2024, Delta Dental and the Community Care Foundation granted **\$354,749** within the state of **Nevada**.

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$176 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

Access to Care Grants

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

Senior Oral Health Program

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

Education & Research Grants

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

Community Investments

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

Nevada Partner Spotlight

“Future Smiles received a generous grant from the Delta Dental Community Care Foundation to purchase a second transportation vehicle for our Mobile school sealant program ~ Smiles on the GO X 2. This will allow our program to travel to more than 60 schools in Las Vegas, NV, touching the smiles and hearts of more than 6,000 children. The depth of gratitude from our entire Future Smiles Team and our families goes beyond this year and into the years to come!!!! Thank YOU!”
