

## COMMUNITY CARE FOUNDATION

### In 2024, Delta Dental and the Community Care Foundation granted **\$1,782,050** within the state of **New York**.

The Delta Dental Community Care Foundation is committed to building caring, resilient communities by increasing access to oral health care. Since 2011, the Foundation has dedicated more than \$176 million to improving oral health across its enterprise, spanning 15 states and Washington, D.C. By investing in the four focus areas outlined below, the Foundation is helping to ensure that everyone, regardless of their background or location, has access to quality oral health care.

#### **Access to Care Grants**

Fund organizations working to increase access to care, address health disparities, drive oral health equity and promote innovation in the oral health field.

#### **Senior Oral Health Program**

A multi-year initiative to identify, assess and address the socioeconomic and systemic causes of poor oral health among older adults.

#### **Education & Research Grants**

Support our partnerships with universities to increase inclusiveness in the education and development of future dental professionals.

#### **Community Investments**

Focus on supporting local organizations through health equity, social justice and disaster relief efforts.

### **New York Partner Spotlight**

“The Delta Dental Community Care Foundation’s generous contribution to Betances Health Center has significantly enhanced our dental program, allowing us to upgrade vital dental equipment. This donation has enabled us to better serve our patients, many of whom come from marginalized and underserved communities in the Lower East Side of Manhattan. By improving our facilities and resources, we can now offer more efficient and effective dental care to those who need it most.

The upgraded equipment ensures that our dental professionals can provide high-quality treatments and services, addressing the growing need for accessible oral health care in our community. This support from Delta Dental has strengthened our ability to deliver comprehensive care, helping us make a positive impact on the health and well-being of our patients.”

**-Rahmell Dash, Development Administrator, Betances Health Center**
