Pennsylvania Partner Spotlight

“A grant from the Delta Dental Community Care Foundation played a key role in helping Neighborhood Health Centers of the Lehigh Valley open our clinic located in Bethlehem, PA, in an underserved community, providing much-needed dental care to those who need it most. With this funding, we were able to purchase brand-new equipment, ensuring patients receive high-quality treatment in a modern setting. This investment hasn’t just built a clinic — it’s created a place of hope, healing, and healthier smiles for generations to come.”
