Texas Partner Spotlight

"University of Texas Health Science Center at San Antonio - School of Dentistry is deeply grateful to the Delta Dental Community Care Foundation for its generous grant. Their ongoing support is vital to enhancing and upgrading the equipment in our San Antonio and Laredo community-based pediatric dental clinics, improving access and the quality of care for dental care shortage areas. This year's additional funding allows us to expand services to older adults in Laredo, bridging oral health disparities for seniors. Together, we are building a healthier future for South Texas!"
