How does DeltaCare USA work?

If you're familiar with HMO-style insurance plans, you'll find DeltaCare USA easy to understand.

When you visit your chosen DeltaCare USA dentist for care, you'll just pay the copayments listed in your plan documents for any covered services you receive. Because there are no waiting periods or deductibles (minimum amounts you must pay before your plan will begin helping with your costs), you can make the most of your benefits the first day your coverage begins.

You won't need an ID card to get care. Just give your information to your dentist and they can find your coverage.

Delta Dental Insurance Company provides benefits as a Prepaid Limited Health Services Organization as described in Chapter 636 of the Florida Statutes.

Important tips

- You'll visit your chosen DeltaCare USA primary care dentist for care. It's easy to change your dentist anytime online or by phone.²
- Find a DeltaCare USA dentist near you at with **Find a Dentist search**. Browse the built-in Yelp® and DentaQual® ratings to help you find a dentist you'll love.
- Review the plan highlights on the next page to see the copayments for the most common covered services. You can also **view the full copayment schedule** or **the Health Care Exchange (Marketplace) plans page** for more information.

Read your policy carefully. This brochure provides a brief description of the important features of your policy. This is not the insurance policy and only the policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is therefore important that you read your policy carefully.

If you are not satisfied with the policy for any reason, you may return the Policy within 10 days after you receive it. Mail or deliver it to Delta Dental Insurance Company. Any premium paid will be refunded. The policy will then be void from its start.

² Changes received between the first and 15th of the month are effective immediately. Changes received on the 16th through the end of the month will be effective on the first of the next month.
