## ELIGIBILITY AND ENROLLMENT

The Exchange is responsible for establishing eligibility and reporting enrollment to Us. We process enrollment as reported by the Exchange.

This Policy includes Pediatric Benefits and Adult Benefits. Enrollees are eligible for either Pediatric or Adult Benefits according to the requirements listed below:

### Eligibility Requirement for Pediatric Benefits

Pediatric Enrollees are Qualified Individuals as determined by the Exchange who are eligible and have enrolled for Pediatric Benefits under this Policy. A Qualified Individual must satisfy the Exchange's requirements regarding:

- citizenship, status as a national or otherwise lawfully present in the United States;
- incarceration; and
- residency.

Pediatric Enrollees eligible for Pediatric Benefits are:

- a Primary Enrollee or an emancipated minor to age 19; and/or
- a Primary Enrollee's Spouse under age 19 and dependent children from birth to age 19. Dependent children include natural children, stepchildren, foster children, adopted children, children placed for adoption and children of Spouse.

### Eligibility Requirement for Adult Benefits

Primary Enrollees and Dependent Enrollees are Qualified Individuals as determined by the Exchange who are eligible and have enrolled for Adult Benefits under this Policy. A Qualified Individual must satisfy the Exchange's requirements regarding:

- 
- citizenship, status as a national or otherwise lawfully present in the United States;
  - incarceration; and
  - residency.

Adult Enrollees eligible for Adult Benefits are:

- a Primary Enrollee age 19 years of age or older; and/or
- a Primary Enrollee's Spouse age 19 and older and dependent children from age 19 to age 26. Dependent children include natural children, stepchildren, foster children, adopted children, children placed for adoption and children of Spouse.

A dependent unmarried child 26 years of age or older may continue eligibility for Adult Benefits if:

- they are incapable of self-support because of a mental or physical disability that began prior to reaching the limiting age;
- they are chiefly dependent on the Primary Enrollee or Spouse for support; and
- proof of dependent's disability is provided within 31 days of request. Such requests will not be made more than once a year following a two year period after this dependent reaches the limiting age. Eligibility will continue as long as the dependent relies on the Primary Enrollee or Spouse for support because of a mental or physical disability that began before they reached the limiting age.

## Renewal

This Policy remains in effect for the Policy Year, provided it is not terminated by Us or by the Primary Enrollee. The Primary Enrollee will receive renewal information from the Exchange prior to any applicable Open Enrollment Period. The Primary Enrollee may change plan selections with the Exchange during the Open Enrollment Period. Provided Delta Dental continues to make this Policy available through the Exchange at the renewal period:

- the Primary Enrollee may elect to choose this Policy, subject to the applicable Premium through the Exchange for this plan at the time of renewal; or
- the Primary Enrollee may not have to make an election through the Exchange in subsequent Open Enrollment Periods to continue coverage. You should refer to the Exchange rules regarding automatic renewal of coverage.

## Termination of Coverage

The Primary Enrollee has the right to terminate coverage under this Policy by sending the Exchange written notice of intent to terminate this Policy. The effective date of a termination will be the date reported by the Exchange. If coverage is terminated because the Enrollee is covered by Medicaid, the last day of coverage with Delta Dental is the day before the new coverage is effective.

A full refund of Premium is available if a written request for a refund is made within the first 10 days of the Effective Date.

The Primary Enrollee may keep this Policy in force by timely payment of the Premiums. However, Delta Dental may terminate coverage due to:

- Enrollee no longer eligible through the Exchange or under the terms of this Policy;
- non-payment of Premiums, subject to the "Grace Period on Late Payments" provision;
- fraud or material misrepresentation made by or with the knowledge of the Primary Enrollee or the Enrollee applying for this coverage or filing a claim for Benefits;
- the Primary Enrollee changing to a new policy through the Exchange; or

- 
- Delta Dental ceasing to renew all Policies issued on this form to residents of the state where You live.

If Your coverage is terminated, We will send a written notice to You informing You of the reasons(s) why coverage is terminated and the date that Your coverage will end. We will not pay for services received after the date coverage ends. However, We will pay for the completion of Single Procedures started while an Enrollee was eligible if they are completed within 31 days of the date coverage ended.

If termination is due to loss of eligibility through the Exchange, termination is effective the last day of the month following the month that the Exchange notifies You of lack of eligibility. If You are no longer eligible due to age, termination is effective on the date reported by the Exchange and You should contact the Exchange to see if Special Enrollment Periods apply.

## Reinstatement

If this Policy is terminated, You may re-enroll in the plan at the next Open Enrollment Period. Any Deductible, Maximum, Out-of-Pocket Maximum and/or Waiting Period applicable to Your Benefits will start over. However, this Policy may be reinstated prior to Open Enrollment with no break in coverage provided the full Premium due is received by Us (see “*Grace Period on Late Payments*”). The reinstated Policy will have the same rights as before Your Policy lapsed, unless a change is made to this Policy in connection with the reinstatement. These changes, if any, will be sent to You for You to attach to this Policy.

## OVERVIEW OF DENTAL BENEFITS

This section provides information that will give You a better understanding of how the dental plan works and how to make it work best for You.

### Benefits, Limitations and Exclusions

We will pay Benefits for the types of dental services as described in the Attachments that are a part of this Policy.

We will pay Benefits only for covered services. This Policy covers several categories of Benefits when a Provider furnishes the services and when they are necessary and within the standards of generally accepted dental practice. Claims will be processed in accordance with Our standard processing policies. We may use dentists (dental consultants) to review treatment plans, diagnostic materials and/or prescribed treatments to determine generally accepted dental practices and to determine if treatment has a favorable prognosis. If You receive dental services from a Provider outside the state of Mississippi, the Provider will be paid according to Delta Dental’s network payment provisions for said state and according to terms of this Policy.

If a primary dental procedure includes component procedures that are performed at the same time as the primary procedure, the component procedures are considered to be part of the primary procedure for purposes of determining the Benefit payable under this Policy. Even if the Provider bills separately for the primary procedure and each of its component parts, the total Benefit payable for all related charges will be limited to the maximum Benefit payable for the primary procedure.

### Enrollee Coinsurance

We will pay a percentage of the Maximum Contract Allowance for covered services, subject to certain limitations, and You are responsible for paying the balance. What You pay is called the enrollee coinsurance (“Enrollee Coinsurance”) and is part of Your out-of-pocket cost. You may have to satisfy a Deductible before We will pay Benefits. You pay the Enrollee Coinsurance even after a Deductible has been met.

---

The amount of Your Enrollee Coinsurance will depend on the type of service and the Provider furnishing the service (see section titled “*Selecting Your Provider*”). Providers are required to collect Enrollee Coinsurance for covered services. If the Provider discounts, waives or rebates any portion of the Enrollee Coinsurance to You, We will be obligated to provide as Benefits only the applicable percentages of the Provider’s fees or allowances reduced by the amount of the fees or allowances that is discounted, waived or rebated.

It is often to Your advantage to select PPO Providers because they have agreed to accept the Maximum Contract Allowance as payment in full for covered services, which typically results in lower out-of-pocket costs for You. Please refer to the section titled “*Selecting Your Provider*” for more information.

## **Pre-Treatment Estimates**

Pre-Treatment Estimate requests are not required; however, Your Provider may file a Claim Form before beginning treatment, showing the services to be provided to You. We will estimate the amount of Benefits payable under this Policy for the listed services. By asking Your Provider for a Pre-Treatment Estimate from Us before the Enrollee receives any prescribed treatment, You will have an estimate up front of what We will pay and the difference You will need to pay. The Benefits will be processed according to the terms of this Policy when the treatment is actually performed. Pre-Treatment Estimates are valid for 365 days or until an earlier occurrence of any one of the following events:

- the date this Policy terminates;
- the date the Enrollee’s coverage ends; or
- the date the Provider’s agreement with Delta Dental ends.

A Pre-Treatment Estimate does not guarantee payment. It is an estimate of the amount We will pay if You are covered and meet all the requirements of the plan at the time the treatment You have planned is completed and may not take into account any Deductibles, so please remember to figure in Your Deductible if necessary.

## **SELECTING YOUR PROVIDER**

### **Free Choice of Provider**

You may see any Provider for Your covered treatment whether the Provider is a PPO Provider, Premier Provider or a Non-Delta Dental Provider. This plan offered through the Exchange is a PPO plan. To take full advantage of Your Benefits, We highly recommend You verify a Provider’s participation status within a Delta Dental network with Your dental office before each appointment. Review this section for an explanation of Delta Dental payment procedures to understand the method of payments applicable to Your Provider selection and how that may impact Your out-of-pocket costs.

### **Locating a PPO Provider**

You may access information through Our website at [deltadentalins.com](http://deltadentalins.com). You may also call Our Customer Service Center and one of Our representatives will assist You. We can provide You with information regarding a Provider’s network participation, specialty and office location.

### **Choosing a PPO Provider**

The PPO plan potentially allows the greatest reduction in Enrollees’ out-of-pocket expenses since this select group of Providers will provide dental Benefits at a charge that has been contractually agreed upon. Payment for covered services performed by a PPO Provider is based on the Maximum Contract Allowance.

---

Costs incurred by the Pediatric Enrollee for covered services with a PPO Provider apply towards the Out-of-Pocket Maximum for Pediatric Benefits.

## Choosing a Premier Provider

A Premier Provider is a Delta Dental Provider; however, the Premier Provider has not agreed to the features of the PPO plan. Payment for covered services performed by a Premier Provider is based on the Maximum Contract Allowance, and the Premier Provider may collect from You a cost sharing amount that is equal to the difference between the PPO Provider's Contracted Fee and the Premier Provider's Contracted Fee, if the Premier Provider's Contracted Fee is higher.

Costs incurred by the Pediatric Enrollee with a Premier Provider do count towards the Out-of-Pocket Maximum for Pediatric Benefits. However, the Enrollee will still be responsible for cost sharing amounts above the PPO Provider's Contracted Fee when a Premier Provider is used even if the Out-of-Pocket Maximum for Pediatric Enrollees has been met.

## Choosing a Non-Delta Dental Provider

If a Provider is a Non-Delta Dental Provider, the amount charged to Enrollees may be above that accepted by PPO Providers or Premier Providers, and Enrollees will be responsible for balance billed amounts unless Benefits are assigned to the Non-Delta Dental Provider, in which case balance billing is prohibited by Mississippi law. Otherwise, in the absence of assignment, payment for covered services performed by a Non-Delta Dental Provider is based on the Maximum Contract Allowance, and the Enrollee may be balance billed up to the Provider's Submitted Fee.

Costs incurred by the Pediatric Enrollee with a Non-Delta Dental Provider do count towards the Out-of-Pocket Maximum for Pediatric Benefits. However, balance billed amounts continue to apply when a Non-Delta Dental Provider is used even if the Out-of-Pocket Maximum for Pediatric Enrollees has been met.

## Additional Obligations of PPO and Premier Providers

- The PPO Provider or Premier Provider must accept payment directly from Delta Dental after satisfaction of the Deductible and Enrollee Coinsurance. The Enrollee does not have to pay all the dental charges while at the dental office and then submit the claim for reimbursement.
- The PPO Provider or Premier Provider will complete the dental Claim Form and submit it to Delta Dental for reimbursement.
- The PPO Provider will accept the PPO Provider's Contracted Fee as payment in full for covered services and will not bill You for any difference between the Submitted Fee and the PPO Provider's Contracted Fee.

## How to Submit a Claim

Claims for Benefits must be filed on a standard Claim Form that is available in most dental offices. PPO and Premier Providers will fill out and submit Your claims paperwork for You. Some Non-Delta Dental Providers may also provide this service upon Your request. If You receive services from a Non-Delta Dental Provider who does not provide this service, You can submit Your own claim directly to Us. Please refer to the section titled "*Claim Form*" for more information.

Your dental office should be able to assist You in filling out the Claim Form. Fill out the Claim Form completely and send it to:

Delta Dental Insurance Company  
P.O. Box 1809  
Alpharetta, GA 30023-1809

---

## Payment Guidelines

We do not pay PPO or Premier Providers any incentive as an inducement to deny, reduce, limit or delay any appropriate service.

If You, or Your Provider file a claim for services more than 12 months after the date You received the services, payment may be denied. If the payment is denied because Your PPO or Premier Provider failed to submit the claim on time, You may not be responsible for that payment. However, if You did not tell Your PPO or Premier Provider that You were covered under a Delta Dental Policy at the time You received the service, You may be responsible for the full cost of that service. According to Mississippi law, a Non-Delta Dental Provider may not bill You the difference between the Maximum Contract Allowance and the Submitted Fee if the Non-Delta Dental Provider accepts payment directly from Delta Dental.

If You have any questions about any dental charges, processing policies and/or how Your claim is paid, please contact Us.

## Provider Relationships

The Primary Enrollee and Delta Dental agree to permit and encourage the professional relationship between Provider and Enrollee to be maintained without interference. Any PPO, Premier or Non-Delta Dental Provider, including any Provider or employee associated with or employed by them, who provides dental services to an Enrollee does so as an independent contractor and will be solely responsible for dental advice and for performance of dental services, or lack thereof, to the Enrollee.

## GRIEVANCES AND APPEALS

If You have questions about any services received, We recommend that You first discuss the matter with Your Provider. However, if You continue to have concerns, please call Our Customer Service Center. You can also email questions by accessing the "Contact Us" section of Our website at [deltadentalins.com](http://deltadentalins.com).

Grievances regarding eligibility, the denial of dental services or claims, the policies, procedures, operations of Delta Dental or the quality of dental services performed by the Provider may be directed in writing to Us or by calling Us toll-free at **888-857-0314**.

When You write, please include the name of the Enrollee, the ID number and Your telephone number on all correspondence. You should also include a copy of the Claim Form, claim statement or other relevant information. Your claim statement will have an explanation of the claim review and any grievance process and time limits applicable to such process.

We will notify You and Your Provider if Benefits are denied for services submitted on a Claim Form, in whole or in part, stating the reason(s) for denial. You and Your Provider have at least 180 days after receiving a notice of denial to request a review in writing to Delta Dental giving reasons why You believe the denial was wrong. You may also ask Delta Dental to examine any additional information You include that may support Your grievance.

Send Your grievance to Us at the address shown below:

Delta Dental Insurance Company  
P.O. Box 1860  
Alpharetta, GA 30023-1860

We will send You a written acknowledgment within five (5) days upon receipt of Your grievance. We will make a full and fair review within 30 days after We receive the grievance. We may ask for more documents if needed. We will send You a decision within 30 days. The review will take into account all comments, documents, records or other information, regardless of whether such information was submitted or considered initially. If the review is of a denial based in whole or in part on lack of dental

---

necessity, experimental treatment or clinical judgment in applying the terms of this Policy, We will consult with a dentist who has appropriate training and experience. The review will be conducted for Us by a person who is neither the individual who made the claim denial that is subject to the review, nor the subordinate of such individual.

## Appeals

If You believe You need further review of Your claim, You may contact Your state insurance regulatory agency.

## PREMIUM PAYMENT RESPONSIBILITIES

Your Premium is determined by the plan design chosen at the time of enrollment. Premiums are listed in the Policy Information attached to this Policy. The Enrollee is responsible for making Premium payments.

Each Premium is to be paid on or before its due date. A due date is the day following the last day of the period for which the preceding Premium was paid. You may pay Your Premium by visiting Our website at [deltadentalins.com](http://deltadentalins.com) or by mailing payment to the address below:

Delta Dental Insurance Company  
P.O. Box 660138  
Dallas, TX 75266-0138

## Rate Guarantee

Your Premium rate is guaranteed for each Policy Year based upon the new Enrollee rates in force at the time of Your enrollment. The rate guarantee can be less than 12 months if an Enrollee has an Effective Date mid-year due to a Qualifying Status Change or due to other extraordinary circumstance as determined by the Exchange.

## Changing Payment Options

Payment options may be changed at any time. The effective date of any change is the date of the next scheduled payment based on Your new billing period. You can change Your payment option by visiting Our website at [deltadentalins.com](http://deltadentalins.com) or by contacting Our Customer Service Center toll-free at **888-857-0314**.

## Grace Period on Late Payments

For Enrollees receiving an Advanced Premium Tax Credit (APTC):

- If Your Premium payment is not received by the first of the month, a grace period of three (3) months will be granted. During the grace period, this Policy continues in force. However, Your coverage for the second and third months of the grace period will be suspended and claims incurred during the second and third months of the grace period will not be paid unless all Premiums due are paid prior to the expiration of the grace period. If Premiums are received during the grace period, then the Enrollees will be reinstated as of the last day of paid coverage. If Premiums are not received prior to the end of the grace period, coverage will be terminated as of the end of the last day of the first month of the grace period.

For Enrollees not receiving an Advanced Premium Tax Credit (non-APTC):

- A grace period of 31 days will be granted for the payment of each Premium falling due after the first Premium. During this time this Policy will continue in force. Coverage will terminate at the end of the grace period unless We receive Your Premium before the end of this 31 days.

### Claim Form

We will within 15 days after receiving a notice of a claim provide You or Your Provider with a Claim Form to make claim for Benefits. To make a claim, the form should be completed and signed by the Provider who performed the services and by the patient (or the parent or guardian if the patient is a minor) and submitted to Us at the address above.

If We do not send You or Your Provider a Claim Form within 15 days after You or Your Provider gave Us notice regarding a claim, the requirements for proof of loss outlined in the section "*Written Notice*

---

of Claim/Proof of Loss” above will be deemed to have been complied with as long as You give Us written proof that explains the type and the extent of the loss that You are making a claim for within the time established for filing proofs of loss. You may also download a Claim Form from Our website at [deltadentalins.com](http://deltadentalins.com).

## Time of Payment

Claims payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid within:

- 25 days after receipt of due written proof of such loss in the form of a clean claim where claims are submitted electronically; and
- 35 days after written proof of loss in the form of a clean claim is received/filed on paper.

A clean claim means a claim received by an insurer for adjudication and which requires no further information, adjustment or alteration by the provider of the services or the insured in order to be processed and paid by the insurer. A clean claim is clean if it has no defect or impropriety, including any lack of substantiating documentation or particular circumstances requiring special treatment that prevents timely payment from being made on the claim. A clean claim includes resubmitted claims with previously identified deficiencies corrected. Errors, such as system errors, attributable to the insurer, do not change the clean claim status.

Delta Dental will notify the Enrollee and the treating Provider within the applicable time frame. The Enrollee and/or the treating Provider will have 45 days to provide Delta Dental the requested information. Delta Dental will process the claim within 20 days of receipt of the additional information. If the additional information is not received within this 45-day timeframe, the claim will be denied. Subject to the due written proof of loss, all accrued indemnity for loss for which this Policy provides periodic payment will be paid monthly.

Claims not processed within these timeframes will be subject to interest rate of 3 percent interest per month. If Delta Dental fails to pay Benefits when due, the Enrollee may bring action to recover such Benefits, any interest which may accrue as provided in this provision and any other damages as may be allowable by law. If it is determined in such action that Delta Dental acted in bad faith as evidenced by a repeated or deliberate pattern of failing to pay Benefits and or/claims when due, the Enrollee will be entitled to recover damages in an amount up to three (3) times the amount of the Benefits that remain unpaid until the claim is finally settled or adjudicated.

## To Whom Benefits Are Paid

It is not required that the service be provided by a specific Provider. Payment for services provided by a PPO or Premier Provider will be made directly to the Provider. Any other payments provided by this Policy will be made to You. All Benefits not paid to the Provider will be payable to You or to Your estate, or to an alternate recipient as directed by court order, except that if the person is a minor or otherwise not competent to give a valid release, Benefits may be payable to their parent, guardian or other person actually supporting the minor.

## Misstatement of Age

If the age of the insured has been misstated, all amounts payable under this policy will be such as the premium paid would have purchased at the correct age.

## Legal Actions

No action at law or in equity will be brought to recover on this Policy prior to expiration of 60 days after proof of loss has been filed in accordance with requirements of this Policy. No action can be brought at all unless brought within three (3) years from expiration of the time within which proof of loss is required by this Policy.

- (3) Specialist Consultations: opinion or advice requested by a general dentist.

- **Basic Services**

- (1) General Anesthesia or IV Sedation: when administered by a Provider for covered Oral Surgery or selected endodontic and periodontal surgical procedures.

Written confirmation of the pregnancy must be provided by the Enrollee or the Enrollee's Provider when the claim is submitted.

### ***Limitations for Adult Benefits (age 19 and older)***

- (1) Services that are more expensive than the form of treatment customarily provided under accepted dental practice standards are called "Optional Services". Optional Services also include the use of specialized techniques instead of standard procedures.

Examples of Optional Services:

- a) a composite restoration instead of an amalgam restoration on posterior teeth;
- b) a crown where a filling would restore the tooth;
- c) an inlay/onlay instead of an amalgam restoration; or
- d) porcelain, resin or similar materials for crowns placed on a maxillary second or third molar, or on any mandibular molar (an allowance will be made for a porcelain fused to high noble metal crown).

If an Enrollee receives Optional Services, an alternate Benefit will be allowed, which means We will base Benefits on the lower cost of the customary service or standard practice instead of on the higher cost of the Optional Service. The Enrollee will be responsible for the difference between the higher cost of the Optional Service and the lower cost of the customary service or standard procedure.

- (2) If a primary dental procedure includes component procedures that are performed at the same time as the primary procedure, the component procedures are considered to be part of the primary procedure for purposes of determining the benefit payable under this Policy. If the Provider bills separately for the primary procedure and each of its component parts, the total benefit payable for all related charges will be limited to the maximum benefit payable for the primary procedure.
- (3) We will pay for oral examinations (except after hours exams and exams for observation) no more than twice in a Calendar Year.
- (4) We will pay for cleanings, including scaling in presence of generalized moderate or severe gingival inflammation (including periodontal maintenance or any combination thereof) no more than twice in a Calendar Year. See note on additional Benefits during pregnancy.

- (6) Full mouth debridement is not allowed when performed by the same dentist/dental office on the same day as evaluation procedures.
- (7) Application of caries arresting medicament is limited to twice per tooth per Calendar Year.

  - b) When a panoramic film is submitted with supplemental film(s), We will limit the total reimbursable amount to the Provider's Accepted Fee for a complete intraoral series.

Diagnostic and treatment facilitating aids for implants are considered a part of, and included in, the fees for the definitive treatment. Our payment for implant removal is limited to one (1) for each implant in 60 months whether provided under Our or any other dental care plan. Implant/abutment supported removable dentures and fixed dentures will receive a benefit allowance for the corresponding conventional removable appliances. The Enrollee is responsible for the difference in the fee for an implant/abutment supported denture and the fee for a conventional prosthodontic appliance.

***Limitations for Pediatric Benefits (under age 19)***

- (1) Services that are more expensive than the form of treatment customarily provided under accepted dental practice standards are called "Optional Services". Optional Services also include the use of specialized techniques instead of standard procedures.  
If an Enrollee receives Optional Services, an alternate Benefit will be allowed, which means We will base Benefits on the lower cost of the customary service or standard practice instead of on the higher cost of the Optional Service. The Enrollee will be responsible for the difference between the higher cost of the Optional Service and the lower cost of the customary service or standard procedure.
- (2) Claims shall be processed in accordance with Our standard processing policies. The processing policies may be revised from time to time; therefore, We shall use the processing policies that are in effect at the time the claim is processed. We may use dentists (dental consultants) to review treatment plans, diagnostic materials and/or prescribed treatments to determine generally accepted dental practices and to determine if treatment has a favorable prognosis.
- (3) If a primary dental procedure includes component procedures that are performed at the same time as the primary procedure, the component procedures are considered to be part of the primary procedure for purposes of determining the benefit payable under this Policy. If the Provider bills separately for the primary procedure and each of its component parts, the total benefit payable for all related charges will be limited to the maximum benefit payable for the primary procedure.
- (4) We will pay for oral examinations (except after hours exams and exams for observation) twice in a Calendar Year.

- (5) We will pay for cleanings , including scaling in presence of generalized moderate or severe gingival inflammation (or any combination thereof) no more than twice in a Calendar Year.   - b) When a panoramic film is submitted with supplemental film(s), We will limit the total reimbursable amount to the Provider's Accepted Fee for a complete intraoral series.
  - c) If a panoramic film is taken in conjunction with an intraoral complete series, We consider the panoramic film to be included in the complete series.
  - d) A complete intraoral series and panoramic film are each limited to once every 24 months.
  - e) Bitewing x-rays are limited to one every six (6) months. Bitewings of any type are not billable to the Enrollee or Delta Dental within six (6) months of a full mouth series.
  - f) Image capture procedures are not separately allowable services.

- (21) Periodontal limitations:
  - a) Benefits for periodontal scaling and root planing in the same quadrant are limited to once in every 12-month period . In the absence of supporting documentation, no more than two quadrants of scaling and root planing will be benefited on the same date of service. See note on additional Benefits during pregnancy.
  - b) Cleanings (regular) are subject to a 30 day wait following periodontal scaling and root planing if performed by the same Provider office.
- (22) Oral Surgery services are covered once in a lifetime.
- (23) Crowns are limited to Enrollees age 12 and older and are covered not more often than once in any 60 month period except when We determine the existing Crown is not satisfactory and cannot be made satisfactory because the tooth involved has experienced extensive loss or changes to tooth structure or supporting tissues. Services will only be allowed on teeth that are developmentally mature.
- (24) When allowed within six (6) months of a restoration, the Benefit for a Crown will be reduced by the Benefit paid for the restoration.
- (25) Prosthodontic appliances that were provided under any Delta Dental program will be replaced only after 60 months have passed, except when We determine that there is such extensive loss of remaining teeth or change in supporting tissue that the existing denture cannot be made satisfactory. Replacement of a prosthodontic appliance not provided under a Delta Dental program will be made if We determine it is unsatisfactory and cannot be made satisfactory. Services will only be allowed on teeth that are developmentally mature.

- (27) We will not pay for implants (artificial teeth implanted into or on bone or gums), their removal or other associated procedures, but We will credit the cost of a crown toward the cost of the implant associated appliance, i.e., the implant supported crown or denture. The implant appliance is not covered.

- h) All necessary procedures that may affect orthodontic treatment shall be completed before orthodontic treatment is considered.
- i) When specialized orthodontic appliances or procedures chosen for aesthetic considerations are provided, We will make an allowance for the cost of a standard orthodontic treatment. APPENDIX "A"

**NOTICE OF PROTECTION PROVIDED BY  
MISSISSIPPI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Mississippi Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created by Mississippi law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurer becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Mississippi law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).)

The basic protections provided by the Association are:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in net cash surrender and net cash withdrawal values

Health Insurance

- \$500,000 for health benefit plans (see definition below)
- \$300,000 in disability income insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to health benefit plans.

“Health benefit plan” is defined in Miss. Code Ann. § 83-23-209 and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance (LTCI).

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Mississippi law.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, limitations and exclusions, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.mslifeqa.org](http://www.mslifeqa.org), or contact:

## Non-Discrimination Disclosure

### Discrimination is Against the Law

We comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. We do not exclude people or treat them differently because of their race, color, national origin, age, disability, or sex.

Coverage for medically necessary health services are available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender. We will not deny or limit coverage to any health service based on the fact that an individual's sex assigned at birth, gender identity, or recorded gender is different from the one to which such health service is ordinarily available. We will not deny or limit coverage for a specific health service related to gender transition if such denial or limitation results in discriminating against a transgender individual.

If you believe that we have failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance electronically online, over the phone with a customer service representative, or by mail.

## ENROLLEE NOTICES

Federal and state laws require enrollees to be notified on a periodic basis about enrollee rights and privacy practices. Below is a summary of the notices that are available under the legal or privacy section of our webpage. To access the most current version and the full text of each notice, please visit our website at [deltadentalins.com](http://deltadentalins.com).

### Federal Notices:

- **HIPAA Notice of Privacy Practices (NPP):** Federal regulations require insurance plans to share information about the company's privacy practices. This is called a "Notice of Privacy Practices (NPP)" and should be read when an individual first becomes an enrollee and reviewed at least every three years thereafter.
- **Gramm-Leach-Bliley (GLB):** Financial institutions and insurance companies must describe how demographic and financial information is collected and shared. California requires a state specific notice called the California Financial Privacy Notice, which is described below under the State Notices section.
- **Notice of Non-Discrimination:** We comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex, including sex stereotypes and gender identity. If you believe we have failed to provide these services or discriminated in another way on the basis of race, color,

national origin, age, disability, or sex, you can file a grievance electronically online, over the phone with a customer service representative, or by mail.

- **Language Assistance Notice and Survey:** We provide phone interpretation to callers who do not speak English. In California, we will also provide, on request, a translated copy of certain vital documents in either Spanish or Chinese. In Maryland and Washington DC, enrollees may receive grievance materials in Spanish or Chinese.

#### **State Notices:**

- **CA Financial Privacy Notice:** This notice to Californians describes our demographic and financial information collection and sharing practices. It is similar to the Gramm-Leach-Bliley (GLB) notice described above.
- **CA Grievance Process:** This notice describes our procedure for processing and resolving enrollee grievances and gives the address and phone number to make a complaint. Californians are encouraged to read this notice when they first enroll and annually thereafter.
- **CA Timely Access to Care:** California law requires health plans to provide timely access to care. This law sets limits on how long enrollees must wait to get appointments and telephone assistance.
- **CA Tissue and Organ Donations:** This notice informs subscribers of the societal benefits of organ donation and the methods they can use to become organ and/or tissue donors. California regulations require every health plan to provide this information upon enrollment and annually thereafter.

deltadentalins.com

- **CA Annual Deductible and OOP Max Accrual Balances:** California law requires health plans to provide enrollees with up-to-date accrual balances towards their annual deductible and out-of-pocket maximum for every month benefits were used until the accrual balances are met. Enrollees have the right to request their most up-to-date accrual balance from the health plan at any time.
- **CA Request Confidential Communications:** This notice informs subscribers of methods of contacting the plan when there is a need or desire to provide and alternative address to received protected health information. Users may also choose to use the “Request for Confidential Communication” form when submitting such request.
